

Limited Review Report

To the Board of Directors of Shinewell Leasing Ltd.

We have reviewed the accompanying statement of Unaudited Financial Results of Shinewell Leasing Ltd. for the Quarter ended 30th June 2015. This statement is the responsibility of the Company's Management and has been approved by Board of Directors.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is expression of an opinion regarding the financial statements taken as whole. Accordingly, we do not express an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement un-audited financial results for the quarter ended 30th June, 2015 along with notes thereon, prepared in accordance with accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
